

F2 - Nature in Neighborhoods Capital Grants Match Form

- Instructions:
1. If utilizing volunteers, indicate this in the "Match Source" and choose the "In Kind" field and estimate the number of hours the volunteers will be contributing to the project. The "Amount" will be those hours multiplied by the hourly rate found at the Independent Sector website: www.independentsector.org/programs/research/volunteer_time.html.
 2. If your "Match Source" is a professional or technical service received as "In Kind," use the market average or actual salary or bid for that individual or service. Use the "Notes" field to document your methodology.
